Utilization of existing local operational know-how |

Opportunity

Key Risks:

Partnering with Magist for Brazil Entry

Limited data to justify a 3-year contract

Product portfolio mismatch (non-tech vs. tech)

Data quality and reporting inconsistencies

High long-term dependency on partner performance

Summary:

Partnering with Magist for Brazil Entry

RECOMMENDATION

A full 3-year contract is not recommended at this stage

FINAL DECISION

Proceed with a **1-year pilot partnership** agreement

Reassess expansion decision after **pilot results**
